Cable News
AGAINST CANAL
DISCRIMINATION

[Associated Press Cable]

WASHINGTON, D. C., July 11.—The first muttering of what promises to be serious trouble with foreign countries over the Panama Canal was heard here today, when Great Britain, through her embassy, filed a formal protest against discrimination in favor of American ships passing through the big cut.

In the protest His Majesty's government draws attention to the provisions of the Hay-Pauncefote treaty, and it is said will insist upon having them carried out to the letter if possible. It is understood here that the administration of President Taft will take the position that the treaty has not and will not be violated in any respect, and that it does not interfere with the measure granting certain privileges to American bottoms.

It is certain the matter will be taken up to The Hague Tribunal and that a great diplomatic contest has begun.

AUSTRALIA WINS

400-METER SWIM.
STOCKHOLM, Sweden, July 11.—Healy, the wonderfully fast Australian swimmer and former world's champion, captured the 400-meter swimming race here today in the record-smashing time of 5 minutes 34 seconds. He was given an ovation as he left the water. Australia also took second place.

DEADLY HEAT IN

CANADIAN CITY.
MONTREAL, Can., July 11.—There were ninety-five funerals of heat victims in this city today. Of these eighty were funerals of children, some of them but infants. Such was the demand for hearses that many of the coffins were carried to the cemeteries in cabs.

HOUSE IMPEACHES

JUDGE ARCHBALD.
WASHINGTON, D. C., July 11.—By the overwhelming vote of 223 to 1, the House of Representatives today impeached Judge Archbald of Pennsylvania, charged with conduct unbecoming a judge. The proceedings occupied but a short time.

ROYALISTS LOSE.

LISBON, Port., July 11.—It is reported here that the royalist insurrection which has been brewing more or less openly on the frontier, has been defeated. The royalists are reported to be in retreat, and their forces utterly demoralized. Lack of funds and the failure of Spain to officially recognize their claims are said to have been the deciding factors in the failure of the royalist plot to overthrow the republic.

EVENING SMILES.

She—What do you mean by saying that Elsa is "more or less pretty?" He—Well, she's more pretty than most girls, and less pretty than you!

Husband—I won't say marriage is a failure, but some are more fortunate in what they get than others. Wife—You are quite right, dear; for instance, you get me, but I—got only you.

"By the way," said the architect, "we'll have the star's dressing room made soundproof, of course." "What for?" "To keep the prima donna from being distressed by hearing the applause that anyone else may receive."

"Has anything ever been discovered on Venus?" asked the student of astronomy. "No," replied the old professor, whose mind had slipped a cog and transported him into mythological fields; "not if the pictures of her are authentic."

ANOTHER HOSPITAL CASE YIELDS

Place—Good Samaritan's Hospital in Dawson City, Yukon Territory, Alaska.

Patient—G. A. Hatch, a business man of Dawson.

Case—Diabetes, believed to be incurable the world over.

Prognosis—Hopeless, not only because physicians consider it so but the condition of the patient was so extreme that death was believed to be not far away.

A friend of Hatch's by the name of E. S. Strait, auctioneer of Dawson, heard about his plight and called upon him. Strait told Hatch that five years ago he was in the same fix and sent to California for Fulton's Diabetic Compound and recovered and to insure his health he keeps it on hand. He told Hatch that he would loan him some until more could be had from San Francisco. To the surprise of Dr. Cato, who has charge of the hospital, and the nurses, and his friends, Hatch made a recovery.

Instead of being in his grave as the Hospital authorities predicted four months later found him on a visit to his old home in Portland, Maine.
